Subject: call w/PADEP re: Dimock

Spoke to Scott - he's willing to have a call and we agreed to swap agenda topics - which should include - sharing observations re:meeting with Cabot, future coordination on Dimock and how to deal with other complaints coming into EPA.

Need to have times when folks are available

Ron

Subject: EPA conference call

Darek,

Ron Borsellino from EPA would like to set up a conference call with DEP to discuss the Dimock sampling. The folks who should be invited on our end are the same as those who were on the Wednesday Feb 22nd conference call (10:00 am). Can you work with Ron to find a convenient time in the next 1.5 weeks? Thanks!
